

All the horses in Shelby County know that the Alliance is a member of the Disaster Animal Response Team (DART) for really big events like tornados, earthquakes, major disease outbreaks or terrorists.

Does your horse snuffle up against you and try to tell you about the many miles of safe trails at Shelby Farms with new bridges and low water crossings he would like to try out?

That the Alliance has Trail Challenges and the Marilyn Lubin Memorial Moonlight Trail Rides at Shelby Farms Park. Did you know there is also a cross country jumping course at Shelby Farms?

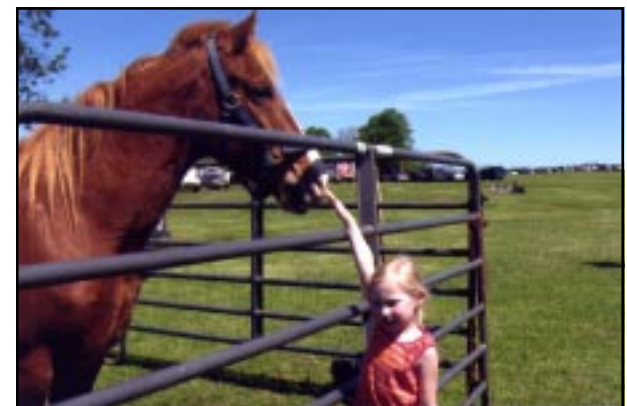

Has he snorted that the Alliance puts on the only urban endurance ride in the United States and possibly the world called the City Slickers that hosts riders from all over the United States?

The Alliance promotes horse activities in Shelby Farms Park, throughout Shelby County and the surrounding areas by having a booth to introduce the public to the horse community at the Earth Day Celebration at Shelby Farms.

Did he tell you the Alliance is the horse community's advocate with the Memphis Commissioners and the Shelby County Commissioners?

Did your horse tell you about the Wall of Fame at Show Place arena were pictures of the horses, riders, breeders and others who have achieved National or International Fame in our area or have stood out as supporters of the Horse Community are displayed.

Does he nicker to the others in the pasture about the support the Alliance gives Show Place Arena to make sure there is an all weather venue for him to show in year round in Shelby County?

What more can your horse do to convince you that you need to become a member of the Alliance and make sure it continues to provide you and him or her with outstanding support and events?

Your Horse Knows, Do You?

Bet you didn't know what your horse and his pals have been talking about in the barn for years now.

Yep, they have all heard about the 348 Firemen, Police Officers, Animal Control Officers and Sheriff's Deputies that the Shelby Farms Equestrian Alliance, (the Alliance) has trained in rescue techniques to help them in a trailer accident, barn fire, or when a horse gets out of its pasture.
